

# 2026 July 4<sup>th</sup> Celebration

## Sponsorship levels

Forest Grove hasn't had a community fireworks show in years, and our summer nights just haven't been the same. The 4th of July is about neighbors gathering in the park, kids waving glow sticks, and families sharing a moment of pure joy under the night sky.

The fireworks company alone is \$20,000 but to make this event safe, fun, and legal, we also need to cover:

- Permits & insurance – Required by the city and state
- Portable restrooms – So everyone can enjoy the show comfortably
- Event equipment – Lighting, sound, fencing, and crowd control
- Staff & volunteers – For setup, cleanup, and safety support

When it's all added up, the total cost is over \$30,000.

Your donation matters:

- Every dollar goes directly toward making this show happen.
- If the event is canceled for any reason, you will receive a full refund.
- You'll be part of the reason Forest Grove celebrates together again.
